Kairin Juku Japanese Language School Educational Policy

- Spirit of autonomy and independence to improve your daily life
- Work hard to achieve your career of academic achievement
- Try to communicate with Japanese people and to experience the culture as you are a part of international human resource development

Educational Goals

We will practice implementing the same idea as a Japanese language school with the Kairin Juku School' s educational goals (high ethics, high academic achievement, high international understanding and self-learning ability).

- High ethics ...Ability to work autonomously
- High academic achievement...Ability to use knowledge, information and technology interactively
- High international understanding ... Ability to interact with different groups
- Self-learning ability... develop a method of learning

Welcome to Kairin Juku Japanese Language School

Kairin Juku Japanese Language School Admission Guidance

Welcome Message

Welcome to Kairin Juku, Welcome To Kairin Juku Japanese Language School.
 We established Kairin Juku School in 1979 in Ashikaga City, and we establish Kairin Juku Japanese Language School in 2018 in the center of Ashikaga City.
 Ashikaga city is famous for Ashikaga Gakko(Gakko means school in Japanese), the oldest school in Japan.
 You can learn not only Japanese language effectively but also Japanese way of life,communication, and culture in our school.
 We organize Kairin UNESCO Association,and you can participate in UNESCO activity in our school.
 We are looking forward to meeting all of you in Ashikaga soon.
 Thank you very much.

President of Kairin Juku Japanese Language School
 Akio Hayashi

Chairman Akio Hayashi

Profile of Principal

Toshihiko Takao is principal of Kairin Juku Japanese Language School and he was a former public elementary school principal. Let's raise the high international understanding, which is one of our school's educational goals, based on 'know-how' that followed the school's 39 years' experience, and enhance communication skills while experiencing Japanese history and culture in multicultural symbiosis. All the teachers will work together so that you can learn with the aim in a good environment of Ashikaga.

Principal Toshihiko Takao
